EXPERIENCE

Tech-Lead Intern May 2025 – Aug. 2025
Viswam.AI (Summer of AI 2025)
- Managing a small group of interns, guiding them through project tasks.
- Supporting open source deployment of community-driven solutions with a focus on local language accessibility.

Vice Chair of the ACM-W Student Chapter March 2024 – March 2025
BVRIT Hyderabad
- Collaborated with the core team to organize workshops, coding contests, and speaker sessions while mentoring junior members and coordinating with external speakers and sponsors to enhance chapter activities.

PROJECTS

Pampered Paws Feb 2025 – June 2025
- Developed an integrated web platform providing real-time veterinary location services, local pet events, and adoption listings.
- Implemented curated pet essentials, personalized educational resources, and a secure user dashboard for enhanced user experience.

RAG-Based Chatbot June 2025 – July 2025
- Built a Retrieval-Augmented Generation chatbot that answers user queries grounded in local PDF documents using OpenAI/Gemini.

Heavenly Cakes June 2024 – July 2024
- Built an online platform to browse a wide variety of cakes with customization options for flavors, sizes, and personalized messages.
- Enabled seamless ordering for special occasions with a user-friendly and responsive interface
